Material Safety Data Sheet

STAYSOUND

1. **Product Name** Staysound
2. **Information on Ingredients**
Composition

| | |
|-----------------------|-------|
| Kaolin | 62.6% |
| Sodium Borate | 2.9% |
| Glycerine | 2.3% |
| Thyme Oil | .042% |
| Purified Water | QS |
3. **Hazards Identification**
Symptoms relating to use
 - Inhalation Not applicable
 - Skin contact None under normal conditions – if irritation is present discontinue use.
 - Eye contact Do not put on eyes. For External use only
 - Ingestion Do not ingest. For External use only
4. **First Aid Measures**
 - Inhalation Not applicable
 - Eye contact Flush with lukewarm water for 15 minutes. Get medical attention if irritation results.
5. **Fire – fighting measures**
Extinguishing media Carbon dioxide, dry chemicals, foam, water spray (fog).

QUALITY CONTROL

- 6. Accidental release measures**
- | | |
|---------------------------|---|
| Personal precautions | None under normal conditions |
| Environmental precautions | Biodegradable |
| After spillage / leakage | Can be hosed down in normal sewage with plenty of hot water. Slippery walking. |
- 7. Handling and storage**
- | | |
|---------|--|
| Storage | Avoid microbiological contamination. Prevent condensation at surface. Store in container provided. |
|---------|--|
- 8. Exposure controls / personal protection**
- | | |
|-------------------------|------------------------------|
| Personal protection | |
| -Respiratory protection | None under normal conditions |
| -Hand protection | Heat protection above 45°C |
- 9. Physical and Chemical properties**
- | | |
|-----------|-----------------|
| Apperance | Soft clay |
| Colour | Whitish / grey |
| Odour | Thyme oil scent |
- 10. Stability and reactivity**
- | | |
|--------------------|-----------------------------|
| Materials to avoid | Strong acids and oxidizers. |
|--------------------|-----------------------------|
- 11. Toxicological information**
- Non-toxic under normal conditions of use.
- 12. Ecological information**
- No significant environmental hazard or adverse effect from human exposure resulting from the accidental release of this material is anticipated.
- 13. Disposal considerations**
- Send to landfill or incinerate. Federal, state or local regulation should be observed.
- 14. Transportation information**
- Not applicable
- 15. Other information:**
- Recommended uses: Cooling leg clay for horses.
